

Staff Accountant • CPA firm

We are an established CPA firm in Stamford, Connecticut, seeking a staff accountant. In addition to tax services, we review, compile and prepare financial statements for closely-held businesses. This is a permanent, full-time position with competitive compensation and benefits, including healthcare and an opportunity for advancement. Immediate opening.

Core responsibilities:

This position will involve a variety of functions including:

- Preparation of tax returns for individuals and small businesses.
- Review, adjust and close books for business clients.
- Communicate and interact with clients.
- Provide tax planning and other related services.
- Advise clients and resolve tax issues with governmental agencies.

Desired education, skills and experiences:

- Accounting grad (required), recent CPE on current tax law a plus.
- At least six months of tax experience.
- Knowledge of the Internal Revenue Code as it relates to businesses and their owners, and other high net worth individuals.
- Significant experience with QuickBooks; knowledge of other accounting programs is a plus.
- Strong organizational and communication skills.
- Ability to work independently, multi-task and meet deadlines.
- Experience with ProSystems fx tax software is a plus.
